WIFE POKED HIM IN SHOWER WITH WINDOW BLIND

George D. Hostler, Mifflintown, was placed on parole by the Adams County court Monday afternoon after serving three months of a three to six months sentence on a charge of larceny and forgery. Hostler's parole will begin as soon as restitution of \$20 is made to Coleman's grocery and costs are paid, the court added.

Oscar Stambaugh, New Oxford R. 1, was directed to pay \$25 per week for the support of his wife and minor child following a hearing on desertion and non-support charge. Stambaugh, answering allegations that he had struck at his wife, said he did so in self defense. He had planned to take a shower, he said, and his wife took down venetian blinds and put them in the bathtub. When he pushed the blinds to one side and began the shower, his wife began "poking" him with one of the blinds, and finally brought the blind down over his head. He had to use force, he said, to defend himself.

Dismiss Morals Case

A motion to dismiss the morals charge against Jean Stenour, Carlisle St., was argued briefly, with District Attorney Daniel E. Teeter stating that evidence in the case was "only circumstantial." The charge was dismissed and the costs placed on the county.

A petition for an exemption by a child in the estate of Clarence C. Cullison, late of Franklin Twp., was heard, with attorneys asked at the end of the hearing to file briefs within 15 days.

Argument was conducted on exceptions to the report of the master in the divorce action of Philip Sharpe, Liberty Twp., versus Ethel Marie Sharpe, Malm.

Attorney Richard A. Brown was appointed master in the divorce action of Verna J. Harris versus Lawrence E. Harris, both of Abbotstown.

Attorney Donald M. Swope was selected as master in the divorce action of Mary Lucille (Alexander) Roberts, Littlestown, versus Frank Howard Roberts, Westminster R. 1.

Named as master in the divorce action of Miriam Ruth (Brannon) Henry, 58 Chambersburg St., versus Robert Joseph Henry, Dover, O., was Attorney John MacPhail.

Accounts Approved

A number of priests and parishes will benefit from estates, according to accounts approved by the county court Monday. In the first and final account of William E. Smith and Bernard G. Smith, executors of the will of Harry J. Smith, late of Conowingo Twp., approval was given to distribution of a bequest of \$200 to the pastor of Sacred Heart Church (Conowingo Chapel) and \$500 to Sacred Heart Church itself. The remainder of the \$59,046 estate goes to seven

FIREMEN PLAN COUNTY ROSTER OF MEMBERSHIP

Arrangements for a roster system for the Adams County Firemen's Association were made Monday evening at a meeting of representatives of 20 of the 25 fire companies of the county held at the local fire engine house.

A plan for a master sheet of memberships for each company, proposed during the earlier part of the meeting, was abandoned in favor of a numerical system for listing the approximately 3,500 members in the county association.

Under the final plan adopted, Roger Myers, Fairfield, secretary of the county group, will send each fire company in the county a numerical list, starting with a number designating the company and then listing numbers up to 500 to be given to the members of each company who are also members of

JR. HIGH SCHOOL BAND WILL SOON HAVE UNIFORMS

President Paul R. Mehring, president of the Gettysburg Band Boosters' Club at the high school, enlarged the uniform committee to handle alterations in the old band uniforms to outfit the 35-member Junior High School Band following discussion at the Band Boosters' first fall meeting Monday evening.

Mrs. James Reaver, Mrs. Catherine Gaston and Mrs. William Zhea were appointed to assist the former uniform committee after Director Robert Zeigler told the 20 band-member parents in attendance that the old senior band uniforms can be altered to give the smaller junior group maroon and white trousers. With white shirts and maroon ties, the junior group could be outfitted in "presentable uniforms without much expense, he added.

Many of the more than 60 old uniforms are unusable, he said, but enough can be found to equip the junior band for concert or parade appearances.

Have \$318 Balance

The new uniforms for the Senior High School Band have been paid for, the report of Treasurer Paul Snyder showed, and the Band Boosters have a balance of \$318.78 in the treasury. The band uniforms cost \$4.075 and the summer shirts cost \$744.99. A large part of the cost of the latter was paid with the \$601 gathered by the Association of Local Clubs which conducted a door-to-door canvass for the band.

"The town organizations and citizens have been most cooperative," said President Mehring. "The response to our appeal for funds for new band uniforms was generous and most encouraging. In behalf of the band we wish to thank all the individuals and organizations that helped make our new band uniforms possible. They enable our band to make a fine appearance and the musicians have won many fine comments."

Summer rehearsal schedules were discussed and the importance of having all senior band members available for pre-football season practice during the two weeks immediately before the opening of school next September was stressed by Mr. Zeigler. The care and storage (Continued on Page 2)

North Korean Jet Pilot Who Fled With MIG Says Reds Are Violating Korean Truce Terms

By ROBERT B. TUCKMAN
SEOUL (AP)—A young North Korean jet pilot who flew to freedom in a Russian-made MIG said today the Communists have flown jet fighters and propeller-driven bombers into Korea since the armistice in violation of truce terms.

The 22-year-old pilot, a senior lieutenant in the North Korean Air Force, told a news conference he did not know the Allies had offered \$100,000 for a MIG when he landed his swept-wing fighter at a base near Seoul yesterday.

He said he fled from Communist Korea because "I did not want to stay there." He voiced hope that he could study in the United States.

The Air Force lost no time getting its prize MIG out of Korea. An official spokesman said the sleek fighter was dismantled, crated and put aboard a C-124 Globemaster which left for an undisclosed destination tonight. Presumably the MIG ultimately will be put through

CWV AUXILIARY ORGANIZED AT BONNEAUVILLE

An Auxiliary to the Catholic War Veterans, Post 1342, Bonneauville, was organized Monday evening at a special meeting held in the post home at which time Mrs. Mary Erney, Philadelphia, state president, was an honored guest. Twenty-one became members.

Officers chosen were: President, Mrs. Rita Clabaugh; first vice president, Mrs. Kathryn Smith; second vice president, Mrs. Dolores Orndorff; third vice president, Mrs. Dolores Kuhn; secretary, Mrs. Mary Ann Gardner; welfare officer, Mrs. Anna Orndorff; treasurer, Mrs. Marie Weaver; historian, Mrs. Betty Clabaugh; ritual officer, Mrs. Fannie Weaver; trustees for three years, Mrs. Evelyn Storm and Mrs. Patricia Shanbrook; trustees for two years, Mrs. Genevieve Sanders and Mrs. Jeanne Weaver; trustees for one year, Mrs. Ruth Weaver and Miss Grace Myers.

Prior to the organization Mrs. Erney outlined the requirements for organizing an auxiliary which included at least 15 members composed of mothers, wives, sisters, daughters and granddaughters of veterans, and dues of \$2.50 per year. She also gave a brief resume of duties of each officer.

Visiting Officers Speak

Following the election of officers the installation was conducted by Mrs. Erney, Mrs. Helen Strugis, state treasurer and a county president, and Miss Marie Grundy, state president's aide and president of St. Helena's Auxiliary, both of Philadelphia were also present at the meeting and spoke briefly. The visiting officers congratulated the new organization, pointing out it is the only group of its kind in Adams County.

Mrs. Erney stressed the need for complete cooperation, urging all members to work together without jealousy or biased opinions and to keep in mind the aim of any Catholic organization—to live as a good Christian citizen and to spread Catholicism.

The meeting was called to order by Commander Paul Myers of the Bonneauville CWV Post. Prayer was offered by Mrs. Erney.

The new organization decided to hold meetings the third Monday of each month at 8 p.m.

Following the meeting refreshments were served by the post.

25 Girl Scouters Taking Training

Twenty-five Girl Scout leaders, including six from Hanover who are without a qualified instructor in that community at the present, enrolled for the first session of the 16-hour basic leadership training course held Monday evening at the Girl Scout headquarters in the First National Bank basement.

Mrs. Hildah Arter, Littlestown, volunteer trainer for Adams County, was in charge. There were six visitors in addition to the registered group. It was announced by Mrs. M. Hardy Nichols, Girl Scout secretary, that the hours for the session next Monday evening will be changed. The class will be held from 7:30 to 10 p.m. Two-hour sessions had been planned. Mrs. Nichols said other Girl Scout leaders may yet register for the course because opportunity will be given for them to make up work missed at the first session. No registration fee is charged.

APPLY FOR LICENSE

William Henry Mowery, Dillsburg, and Doris Jean Ariene Fidler, East Berlin R. 2, have filed application for a marriage license in York.

Funeral services for Charles Robert Ott, 23, Emmitsburg R. 2, who was fatally injured in a fall from a car early Saturday morning, were held this morning at 9 o'clock at St. Joseph's Catholic Church, Emmitsburg, conducted by the Rev. Fr. John Sullivan. Interment was made in the new St. Joseph's Cemetery.

The pallbearers were: Howard Miller, Lawrence Ott, Ernest Andrew, William Matthews, John Weatherly and William Shorb.

In Hospital After Fall Monday Night

Robert E. Newsham, of the national advertising department of the Philadelphia Inquirer, visiting with his son, Dr. Richard Newsham, Hanover St., while on a business trip in this section, suffered a severe concussion Monday evening when he fell on York St., at the Elks Home.

Mr. Newsham, who had been afflicted with a slight stiffness of the right leg following a light stroke some years ago, apparently fell as a result of the leg weakness while walking down the steps upon leaving the Elks home. He had attended Rotary earlier in the evening with his son and then had bowed at the Elks for a short time before starting for home with Dr. Newsham.

He was in a semiconscious condition at the hospital at noon today as a result of the fall.

Will Cut Income Tax, Quit Excess Profits Levy

WASHINGTON (AP)—Secretary of the Treasury Humphrey said today the 10 per cent income tax cut will take place at the end of the year as scheduled, and also there will be no request for renewing the excess profits tax.

He said, in a speech for the convention of the American Bankers Association: "The excess profits tax will expire Dec. 31, and there will be no request for renewal. At the same time an average of 10 per cent reduction in individual income taxes is scheduled to go into effect, and it will become effective."

Humphrey's statement to the bankers also stressed the need, in the light of the Russia threat, to exercise caution in cutting taxes and defense expenditures. He said there is a "real possibility of an atomic Pearl Harbor hanging directly over our heads."

Here And There News Collected At Random

Restricted areas, or areas which will be likely targets in event of an enemy air raid were recently announced by the government.

While Gettysburg is not included on the list, a number of sites immediately surrounding Gettysburg are on the target list which makes this an important, or subject to attack, target for the enemy.

It is for this reason that it is highly important that Gettysburg and other air spotter stations in the county are fully manned and staffed at all times, especially during the current "cold war" emergency.

Need 150 Volunteers

At least 150 more men are needed, men who are willing to serve four hours at night. Women are also needed to serve three-hour shifts during the day.

There are only two air spotter stations in the county at the present time, Gettysburg and York Springs. Four more are needed but men and women are sorely needed to help staff the two stations. Unless more volunteers come forth now it is unlikely that Adams County can fulfill the responsibility it should in this great emergency.

A woman tourist recently approached a Battlefield guide and asked: "Can you take me to the monument marking the site where Lincoln signed the peace treaty?"

LOCAL BANKER ENGAGED TO WED

The engagement of Miss Alma Cluck, McKnightstown, faculty member of the Franklin Twp. Consolidated School, and Walter A. Keeney Sr., 121 E. Broadway, executive vice president of the Gettysburg National Bank, was announced at a meeting of the Arts and Crafts Guild of Adams County Monday evening at the Pleasant View Cottage, Big Flat.

Miss Cluck, a daughter of the late John and Minnie Walter Cluck who resided in McKnightstown, is a national conference secretary for Gallinger Creative Crafts. Last summer Miss Cluck served as executive secretary at the conference in Houston, Texas. She is a graduate of Shipensburg State Teachers College and a member of the Gettysburg Sororist Club.

Mr. Keeney, who is an elder in the Church of the Brethren, is presently in charge of the Welby Church, near Waynesboro. A son of C. P. Keeney, near Gettysburg, and the late Mrs. Keeney, Mr. Keeney was graduated from Elizabethtown College.

A spring wedding is being planned.

BIRTH ANNOUNCEMENTS

Mr. and Mrs. Paul Taylor, Aspers, announce the birth of a daughter today at the Warner Hospital.

A daughter was born at the hospital Monday to Mr. and Mrs. Calvin Lovette, 137 Breckenridge St. Mr. and Mrs. Gerald Polman, New Oxford R. 2, announce the birth of a daughter Saturday at the Hanover Hospital.

A daughter was born Sunday at the Hanover Hospital to Mr. and Mrs. Roy Staub, McSherrystown.

WILL IS FILED

The will of Mattie A. Taughnbaugh, late of Gettysburg, has been entered for probate at the office of the county register and recorder. Mrs. Minerva T. Baker, Duquesne, is executrix of the \$250 estate.

PUSH PLANS FOR OBSERVANCE OF U. N. WEEK HERE

Further plans for the observance of United Nations Day, October 24, and United Nations Week, October 18 to 24, were outlined Monday evening at a meeting of the committee planning the observance. Dr. Harold Dunkelberger, chairman of the committee, presided at the session held in the borough council chambers.

Approximately 150 veterans of the Korean War, the first American troops to serve under the United Nations flag, will be especially honored at the observance on October 24, it was decided.

Miss Margaret McIlhenny, a member of the committee, reported that she has records of 95 Adams County men who actually served in Korea. Her list, she said, is incomplete and urged county men who have had Korean War service to get in touch with the committee. Major William Lipsey, professor of military science and tactics at Gettysburg College, reported that approximately 50 students at the college are Korean War veterans.

County Poster Contest

Plans for a county-wide poster campaign for the school children were completed. The contest will be in three divisions, one for elementary students, another for junior high school students and the third for senior high school students. Each school or jointure will hold its own contest to select a first and second place winner between October 16 and 20. The posters will be made between October 5 and 16. The first and second place winning posters in each local contest will be submitted for the county-wide contest to be judged by Warren Robinson, professor of art at Gettysburg College. The winner will be announced October 21. The winning posters contest will be displayed until October 24. Certificates will be awarded to the students producing the best posters at a local level. Certificates and cash prizes will go to the county winners.

Prayers For Peace

Arrangements for the contest in the public school are being coordinated by County Superintendent of Schools J. Floyd Clabaugh. Arrangements for the contest in the Catholic schools are being made by Rev. Fr. Anthony F. Kane.

A committee comprising Prof. Slaybaugh, Rev. Robert Knechel, Rev. Fr. Kane and Elmer Yoder was appointed to determine the possibility of having church and other (Continued on Page 3)

SAYS COLOR TV WILL BE USED WIDELY BY '58

Color television will be common throughout Adams County in five years, H. Wilbur Baker, local radio and television store owner, told the Rotary Club in a classification talk given Monday evening at the YWCA.

The first color sets will be available this winter, he said, "but the cost will be high, about \$800 to \$2,000." High cost is caused by the need for parts of the color sets to be hand made, he said. He added, "But the cost will come down. The picture tubes in black and white sets started at about \$150, now are down to about \$50 as a result of mass production."

Color television will provide a finer picture than black and white, Baker said, "because a 525 line screen will be used compared to the approximately 400 line screen used for black and white. What you actually see in television is not a picture, but a tiny dot of light traveling a great speed. The dot scans, just like your eyes do, while reading, from left to right across these lines on your screen. To prevent flicker it scans lines one, three, five, and so on, then comes back and crosses lines two, four, six, eight, etc. The dot of light crosses the screen in one-thirteenth thousandth of a second and your eye gets the impression of a picture."

"That dot of light is controlled at the station sending the signal. In fact a great number of signals are sent out at the same time on the television beam. There is a signal that holds your picture vertically, one that controls the sound, etc."

EBERIGHT ENDS LONG JAIL TERM; DOESN'T TARRY FOR BREAKFAST

Albert Eberight, Baltimore, former manager of the now defunct Adams County Cooperative Egg Association, at 7:30 o'clock this morning ended the longest sentence ever served in the new Adams County jail. He left the jail without waiting for breakfast.

Eberight was sentenced December 17, 1951, to serve 23 months in the county jail on six charges of embezzlement and fraudulent conversion. At that time sentence was suspended on 54 counts of embezzlement and fraudulent conversion and one charge of issuing a worthless check.

As a result, the 55 counts will remain against him if he ever gets into difficulties with the law again, court house officials said today.

Bankruptcy And Jail

The 23-month sentence began as of October 22, 1951, the date on which Eberight was brought to the county jail after having been located in New Jersey.

Eberight became manager of the egg cooperative late in February, 1951. By the end of that year the cooperative was bankrupt, owing \$118,000 and Eberight was in jail.

Of the 61 charges, 30 counts were for fraudulent conversion and 30 for embezzlement. They were based on 30 checks totaling \$21,791.41 which were paid to the cooperative by various egg buyers and which the prosecution claimed Eberight had placed in his own bank account for his own use.

Couldn't Revive Co-Op

At the end of the four-day trial in November court, 1951, the jury of five men and seven women found him guilty on all counts. When Eberight asked that the jury be polled each of the 12 jurors stood in turn to declare the former egg cooperative manager was "guilty on all counts."

Just prior to his arrest, and while he was in New York, the egg cooperative closed. Attempts made to revive it afterward failed.

The prosecutor in all of the charges was John W. Woods, Gettysburg R. D., a director in the cooperative. On the worthless check charge, Eberight made \$255.01 restitution to Mr. Woods and paid court costs totaling \$26.50. On the other counts he served 23 months in jail and paid costs totaling \$340.58.

Eberight presented frequent petitions to the court during the 23 months for parole. All were turned down.

ALLEN A. MILLER, BEECHERSTOWN, DIED SUDDENLY

Allen A. Miller, 69, Beecherstown, died suddenly Monday afternoon at 4:15 o'clock after being stricken with a heart attack while working in the garden at his home. Dr. C. G. Crist, Adams County coroner, said death was due to a coronary occlusion.

Mr. Miller had been suffering from a heart condition for a year and a half and his physician arrived on a regular visit soon after Mr. Miller had been stricken but was unable to aid him.

Born in Arendtsville, Mr. Miller was a son of the late Henry F. and Caroline (Weigle) Miller. He had lived at his late home for the last 33 years. He was last employed at the Carroll Shoe plant in Arendtsville but had to stop work because of his health.

Better Than Money

PITTSBURGH (AP)—Dr. Walter S. Donaldson was attending a session of the Pennsylvania Medical Society's meeting last night when a man walked up, grabbed his hand and said: "I want to thank you."

The bewildered doctor, editor of the Pennsylvania Medical Journal, told 57-year-old John Pappas of Pittsburgh he must have the wrong man.

"Oh, no," said Pappas, "you cured me of rheumatism back in 1925. You gave me back my health and refused to take any money."

Dr. Donaldson told Pappas, a waiter at the hotel where the medical meetings are being held: "This is better than money."

more than 100 radio stations. When television first came into general use, the Federal Communications Commission thought that 13 channels would provide all the space needed. Television signals cannot go too far, and it was thought that stations on the same channels could be operated in relatively nearby cities.

"The first thing that happened was that Channel 4 in Lancaster and Channel 4 in Washington interfered with each other. Right then instance of channels stopped until it was determined that ultra high frequency channels could be used. Now those channels are coming into use to provide for more stations throughout the nation.

"It is an expensive project to start and operate a television station. The nearby Chambersburg station had \$250,000 tied up in equipment in a room half the size of our meeting room here. And they still have a lot to spend.

"It is very expensive. WBAL-TV at Baltimore has more than \$1,000,000 in equipment, and is spending a quarter million more. As a result advertising rates are high. One half hour program which recently signed a new network contract has a basic price of \$75,000 for a half hour for transmission, and if color television comes in that price will be raised to \$100,000.

"Because of the expense I think independent stations will find it tough going for some time to come. But methods will probably be developed to bring down costs—in time."

John Teeter presided at the meeting with 61 present. Roy Hammond introduced the speaker. Dr. Harold Dunkelberger led group singing with Dr. Fred Shaffer as pianist.

Circus Tent

(Continued from Page 1)

34 feet long with open sides and canvas top.

Because of interstate trucking regulations, four trucking companies will be required to freight the huge shipment.

The four 65-foot-long poles for the huge circus tent under which contributors of \$100 each to Republican State general election funds will be fed a roast beef dinner at the President's party, could not be trucked, and were cut and trimmed in Pennsylvania and have already been delivered to Hershey.

386-Foot Tent

The mammoth blue-colored "big top" is 386 feet long, 207 feet wide, and 65 feet high. It was designed by Lief Omsundsen, chief of the tent department of Ringling Brothers. It is owned by the circus, and was loaned to the Pennsylvania Republican Finance Committee by Arthur M. Concello, Ringling's general manager.

The President's "birthday party tent" will be held up, once it is raised, by 4,000 feet of 3/4-inch steel cable and a half-mile of manila rope ranging in thickness from three-quarters of an inch to an inch in diameter. More than 1,000 stakes — each a steel bar five feet long and 2 1/2 inches thick — will have to be driven into the ground.

When the circus erects a tent of this size, its crew of 180 men using tractors and elephants generally gets the big top up in four to five hours. Since the circus will still be on the road in October and cannot spare its trained men — or elephants — a special crew has been put together to raise the tent at Hershey.

Captain William H. (Billy) Curtis, 78-year-old peacan planter of Cuevas, near Pass Christian, Mississippi, former tent-crew chief of the circus, has come out of retirement to supervise the pitching of the "big top" for the President's party.

"I estimate that it will take a week to lay out the tent, and another ten days to get it up with green help we'll have to train on the spot," Capt. Curtis said.

the county association.

After the first year of such a system, with all members listed by number, secretaries of local companies will merely cross out numbers of deceased or dropped members and give numbers to new members. In that way, Myers said, a complete and accurate record can be kept at all times.

The meeting disclosed that there are a few lady firemen in the county. Bonneauville was reported as having one female member, and several other companies were listed as having female members. But the total of lady firemen in the county was said to be very low.

Myers said the meeting was called because the county association needs a complete and accurate record of members because of its death benefit payments. The number system was adopted because of the many duplications of names throughout the county, with many "John Smiths," etc., to be found in various companies in the county.

How Mercury's Soaring Sales can mean "Money in the Bank" for You!

- 1 YOU PAY LESS NOW!**
Our higher volume lets us operate at a lower profit per deal. You get a far bigger allowance for your present car, bigger than you'd think.
- 2 YOU GET BACK MORE LATER!**
Popularity boosts future trade-in value. Even now, Mercury returns more of the original price than any other car in its class.

Mercury dealers, on an average, now sell more cars per dealer than any of their competition. We are in a better position to give you a bigger allowance for your present car.

And Mercury's ever mounting popularity tends to boost trade-in value even higher. A Mercury's true cost (original price minus future resale value) is now lower than any other car in its field.

So why not start saving—and enjoying—the extra value that Mercury offers: like years-ahead styling, proven V-8 performance and economy, and the widest choice of optional power features available on any popular-priced car. Cash in on this money-saving opportunity!

FIFTY YEARS AGO

The Apple Crop: The apple crop Adams County will be larger this fall than for many years past. As the fruit nears maturity, the trees present beautiful and inviting scenes. The boughs are bending low with the luscious fruit. Perhaps the most picturesque scene is the orchard of Noah Sheely in Franklin township. The many trees are bending beneath their loads. There are also other orchards in the county well worth seeing.

Many of the apple men have disposed of their crops to city buyers. Cider making is now in order and the hotel men have disposed of all their barrels and kegs to apple men.

Cider from picked apples was offered on our streets last week at 4 cents per gallon.

Brilliant Church Wedding: One of the most brilliant society events that has taken place in Gettysburg for some time will occur tomorrow (Wednesday), when Miss Ethel S. Wolf, daughter of Rev. Dr. and Mrs. E. J. Wolf, will be united in marriage to Mr. Warren J. Hoysradt, of New York City.

The wedding will take place in Christ Lutheran Church at high noon. Dr. Wolf, assisted by the brother-in-law, Prof. Huber Gray Buehler, will perform the ceremony. Miss Alice K. Baugher will play the wedding marches.

The bride will be handsomely attired in white satin, trimmed with chiffon and veil of tulle fastened with orange blossoms and will carry a bunch of white bride roses. The best man and ushers will wear black frock coats with pearl gray ties and gloves and each will wear an Astor (copy) in buttonhole.

The bride will be given away by her brother, Robbin B. Wolf.

Blocher-Crum. — Sept. 22; by Rev. D. Barnhart, Edward C. Blocher to Miss Sue L. Crum, both of Bendersville.

Elected to Fine Position: John B. McPherson, Esq., of the law firm of McPherson and McPherson, has been elected secretary of the National Wool Manufacturers' Association, with headquarters in Boston and left to assume his position on Saturday.

Mr. McPherson will remove with his family to Cambridge, Mass., in the near future.

A Good Show: The Gentry Brothers dog and pony show gave two good shows here on Monday, both of which were well patronized. After the educated ponies took different positions on an elevated platform, a military drill was executed by them that drew forth much applause. The performing of the three elephants was fine, one of them doing a cake-walk in fine style.

The dogs, of which there were about 100, are exceptionally well trained. The trained monkeys are worth the price of admission.

All in all, the show is a good clean one and worthy of patronage wherever it may exhibit.

Sherman-Tipton: Miss Elizabeth Atkinson Tipton, daughter of John W. Tipton, of this place, was united in marriage to Charles Lester Sherman Jr., of Philadelphia, on Saturday, the ceremony having taken place in that city.

Preparatory Department Well Attended: The Preparatory Department of Pennsylvania College, under the Principalship of Prof. Charles M. Huber, is steadily advancing.

(Some of those in attendance): G. W. Acker, Washington, D. C.; Miss M. Blocher, Miss M. Bruner, J. C. Dickson, J. McC. Dickson, C. McC. Faber, U. McC. Fox, Miss R. Hamilton, Miss M. H. Himes, H. S. By GEORGE MATTHEW ADAMS

TIME OUT FOR ENJOYMENT

It isn't work that shortens people's lives. It's worry and a lack of frequent periods of change and enjoyments. Both the mind and body call for this, but thousands neglect to follow out this plan. Vacations are investments, both for a worker and employer, and he is the best executive who takes them regularly.

In fact, there should be periods of every day in which each of us should take time out for enjoyment. And to those who contribute to this we owe our thanks. I came across a line recently by my friend Hal Foster who draws that delightful colored page that has been so popular in the Sunday magazines called "Prince Valiant." This is what he said: "To contribute something lasting to the sum total of human knowledge or enjoyment is, to me, the real success."

I am certain that my interest in art, especially etchings, and rare books, has added years to my life. Certainly, it has to my enjoyment of life. I have enriched myself and sought to inspire others through my hobbies. I have never collected anything that I didn't think had permanence to it. All my books are my intimate friends. If I had no more furniture in my home than a book-case and a chair, I wouldn't feel lonely! Every day of my life finds me taking time out for enjoyment from my books.

I have a group of friends who take time out each year for a fishing trip. They engage a cook, rent the privilege of fishing in a certain area, and take two weeks out for genuine enjoyment. They come back, usually with a good catch, and with an experience of fun for memory purposes. It's worth time out just to listen to these men tell the story of their adventures.

We should take more time out to pay homage to the Creator of this earth and all that is within it. Everywhere in nature are offered miracles that astound and amaze those of an alert and ready mind. There is beauty in the simplest of things. The average person walks over more wonders than he ever learns about in books, or from people.

Tomorrow Mr. Adams will talk on the subject: "Creators, Discoverers, and Observers."

PROGRESS

If with the best of long ago
Young men had been content
to stay

Saying: "There is no more to
know."

No one had learned a better
way.

If what was once considered best
And never more to be
improved.

Men would have settled down to
rest

Their minds in ridges deeply
grooved.

There is no lasting best to things;
No place where strength and
skill must stay.

Each day some genius closer
brings

To bettering what is best
today.

The old makes possible the new.
As every dreamer has believed.
With more to learn and more to
do

The best is still to be achieved.

The Coming Institute: The coming Teachers' Institute, which will be held in this place during the week of Thanksgiving, promises to be the most successful yet held.

The Executive Committee, composed of the following teachers: R. K. Stultz, C. E. Tawney, C. B. Carbaugh, J. W. Black, L. A. Bosserman, Miss Annie Lefever, Alice Bushey, Mary Cunningham and Daisy Hoffman, met in Superintendent Roth's office on Saturday and made arrangements for the Institute.

Personal: Miss Marie Stock has gone to Emmitsburg, where she will attend St. Joseph's Academy.

J. Frank Dougherty and wife have returned from a trip to Philadelphia and Atlantic City.

Miss Myrna Culp left Thursday for Mason City, Ill., where she will spend the winter with her brother, J. Franklin Culp.

Hon. M. A. Garvin and John Kimple are in Philadelphia this week.

Miss Grace Boyer, of Arendtsville, left last week for Charlotte, N. C., where she will teach in Elizabeth College.

Mrs. William Hersh and daughter are visiting friends in Philadelphia. Miss Cornelia Walter leaves on Saturday for Baltimore where she will attend Peabody Institute.

Ike Declares No Price Too High For Americans In Defense Against Destruction

By MARVIN L. ARROWSMITH

BOSTON (AP)—President Eisenhower solemnly declared last night that no sacrifice—no tax, for example—is too burdensome for Americans determined to thwart "enemies of freedom equipped with the most terrible weapons of destruction."

Kicking off a Republican drive to hold control of Congress in the 1954 elections, the President got a round of applause in making that statement at a \$100-a-plate party held in Boston Garden.

His remark touched off speculation that the White House may be thinking about a new tax levy to help meet the Russian hydrogen bomb threat. There has been unconfirmed speculation the administration might ask Congress to approve a national sales tax.

Martin Talks Of Tax Cuts

House Speaker Joseph W. Martin (R-Mass.) told the same rally of New England Republicans, however, "it is universally agreed that next January there will be a reduction in personal income taxes and the excess profits tax will be eliminated."

The President made no mention of those scheduled tax cuts.

It was the first time he had anything to say publicly about "terrible weapons of destruction" since Russia announced last month that it had exploded a hydrogen bomb. The U. S. Atomic Energy Commission confirmed it had detected a Russian atomic explosion which included hydrogen reactions.

Eisenhower's speech was carried by nationwide television and radio networks. He spoke to a crowd of about 5,000 persons in the Garden, and dinner committee officials said 4,700 purchased \$100 tickets.

Back In Washington

The President flew back to Washington last night, completing a one-day round of speechmaking in Massachusetts which took him to Springfield as well as Boston.

Police estimated a quarter of a million persons turned out to welcome Eisenhower on his arrival in Boston. Other thousands saw him before he left.

In Boston, Eisenhower took no direct note of criticism of his administration by former President Truman and Adlai E. Stevenson, the Democratic presidential nominee in 1952. But he listed what he called the accomplishments of his administration thus far.

He said the record since January is "too short to be anything like definitive."

Last summer we visited Milwaukee (where we formerly lived and worked) and got a first-hand look at how Milwaukee was acting about its Braves.

Their second place Braves were the talk of the town. Everybody it seems was talking about them. Signs placed all over the city directed fans to the County Stadium. They read (black letters on white board): County Stadium. A long black arrow pointed the direction. Any stranger could reach the stadium from any section of the city without asking a question.

Everyone seemed to know every player on the team, his batting average, hits, runs batted in, etc. The kids were really sharp about the players and you couldn't stump any of them with a baseball question.

Milwaukee County charged the Braves \$1,000 rental a season. It was a two-year contract. Before the season was three months old the Braves voluntarily increased their lease to \$25,000 a season. Milwaukee responded by voting over a million dollars to add 9,000 more seats and increase the 7,500-car parking area that surrounds the stadium.

Special trains stop about 200 feet from the park and passengers and fans walk across a viaduct into the park. Streets near the park are closed to parked cars one hour before and one hour after each game thus expediting the heavy traffic leaving the area.

Every week many valuable prizes were given the players for hits, home runs, stolen bases, winning runs and miscellaneous other baseball features. Prizes included automobiles, freezers, refrigerators, living and dining room furniture, baby food for a year, milk for a year, bread for a year, gasoline for a year, watches, shoes, suits, hats, socks and countless other gifts.

We tried to buy a box seat

and we were told that all box seats were sold out until after September 15. That is the reason the fans lined up to 5 a.m. to buy bleacher seats for their Sunday double headers which started at 2 p.m.

It is no exaggeration to say that a motorist could almost follow the game, play-by-play, simply by riding through the city streets. It seems that every radio (wide open, too) was tuned to the baseball broadcast.

Milwaukee grasped the opportunity to become a Major League city and the people responded with gusto. They bought tickets by the thousands. They purchased gifts to give to players. Merchants and manufacturers vied with each other in compensating players for good deeds afield. This stirred the Braves to monumental efforts and they gave their best. They were mobbed at the airport and the railroad station when they returned from road tours, regardless of the hour of the day or night. More than 1,000 were at the airport on more than one occasion when the Braves arrived home after 1 a.m. That kind of baseball enthusiasm made Milwaukee a great baseball town, and that's why it is easy to understand why Milwaukee set a new attendance record for the National League.

5TH CINERAMA THEATRE OPENS

PHILADELPHIA — When "This Is Cinerama" celebrates its Pennsylvania premiere at the Boyd Theatre in Philadelphia on Tuesday night, October 6, Cinerama will have installed its fifth playhouse. Only four other cities in the United States are presenting this film with a new dimension—the Warner in New York, the Palace in Chicago, the Music Hall in Detroit and the Warner-Hollywood in Los Angeles.

There will be other Cinerama theatres within the next year. Cinerama is so expensive to install and operate; its equipment requires so long a period of manufacture, that of necessity the

Stanley Warner Cinerama Corporation must limit the presentation to only the largest cities.

Once operating, however, Cinerama runs for a long time. New York will celebrate a year's engagement on the night of Sept. 30. Detroit has been presenting "This Is Cinerama" for twenty-eight weeks; Los Angeles for twenty-four and Chicago for nine.

As elsewhere, the Boyd Theatre will present "This Is Cinerama" on a reserved seat basis. There will be sixteen performances a week; matinees daily except Friday at 2:30 p.m.; nights at 8:40 p.m. Sunday through Thursday. On Friday nights there will be two performances, at 8 and 11. Saturday nights will also present "This Is Cinerama" at two performances, the first at 7:30 and the late show starting at 10:30. On Sunday there will be an extra performance starting at 5:30 o'clock.

Standings In Each Major Loop Yet To Be Fixed; Five Positions In Each League To Be Decided

By BEN PHLEGAR
AP Sports Writer

With just six days to play, the standings of the National and American Leagues could still undergo considerable change before being entered in the final record books.

Five places in each league remain undecided. So far the only teams guaranteed of finishing on Sunday night where they are today are pennant-winning Brooklyn, runner-up Milwaukee and last place Pittsburgh in the National League and the champion New York Yankees, fourth place Boston and fifth place Washington in the American.

Cleveland gets a chance tonight and tomorrow to nail down second place in the American League. The Indians invade Chicago for two games with the White Sox who trail them by two. A sweep would give Manager Al Lopez his third straight runner-up finish with the Indians.

Browns Likely Last
An all-victorious climax to the 1953 season would give the Indians their third identical year—93 victories and 61 losses. They have five games left and a current mark of 86-61.

Near the bottom of the American League Detroit needs to win three of four remaining games to assure sixth place. At the moment the Tigers lead Philadelphia by a game and a half. The A's have five games left. If they can capture even one of the five they'll avoid any share of last place.

The Browns appear almost certain to wind up their days in St. Louis at the bottom of the heap but by winning their last four they might tie the Athletics.

Cards Vs. Phils
Third place in the National League is still up for grabs between St. Louis and Philadelphia. The Cards whipped the Chicago Cubs 4-0 last night in the only action in either league and moved a game and a half ahead of the Phils. St. Louis has six games to play, Philadelphia five.

The New York Giants, in fifth place, might get caught by Cincinnati. The Redlegs also could sink to seventh if they dropped their three game series with the Cubs which opens tonight. The Cubs are now in seventh.

Yankees Washed Out
Harvey Haddix, pitching his first full season in the big leagues, won his 19th game for the Cardinals and his sixth shutout. He aided his own cause with a triple, one of only five hits collected by the Cardinals.

Haddix allowed the Cubs three singles plus a double by Hank Sauer.

Rain yesterday washed out the Yankees' final appearance in Boston.

INDUSTRIAL BOWLING

The Industrial Bowling League staged its opening matches Monday evening on the alleys at the Gettysburg News and Sporting Goods Store, Chambersburg St., with the American Legion and Glenn L. Bream Garage winning their contests.

Trophy Race Listed At Williams Grove

WILLIAMS GROVE, Pa.—Originally scheduled for August 9 when rain necessitated postponement of the event, the second annual Checkered Flag Fan Club Trophy Race for big cars, sanctioned by the American Automobile Association, will be staged on Sunday, September 27, on the Williams Grove Speedway.

The trophy race, 30-lap feature event of the afternoon, will climax "Checkered Flag Fan Club Day" at the Grove, when members of the club will be guests of Owner Roy Richwine in a section of the grandstand reserved for them.

Another stellar field of the Nation's greatest drivers, including veterans of the Indianapolis Classic, most of whom hold membership cards in the club themselves, are expected to file entries for the event giving recognition to the Fan Club for the second consecutive year.

RED PREMIER PURGED BY TOP SOVIET CHIEFS

LONDON—The Premier of the Georgian Soviet republic—home-land of Joseph Stalin and ousted Red police boss Lavrenty P. Beria—was added today to the growing list of Soviet purge victims. The first secretary of the republic's Communist party also was fired. The government radio in the republic's capital, Tiflis (Tbilisi), announced that Premier B. M. Bakhradze had been replaced by "Comrade D. D. Galatishvili" and that "Comrade Merkulava" was dismissed as party secretary.

It was the second shakeup in the strategic Georgian republic in three months and part of a continuing Kremlin purge of the subordinate republic governments begun after Beria's arrest was announced last June.

Ousted By Decree
The radio said Bakhradze was ousted by a decree of the Presidium of the Supreme Soviet (legislature) of the republic.

That the Kremlin apparently considered the change of great importance was indicated by the broadcast's note that "Comrade Shatalin, secretary of the Central Committee of the U. S. S. R. Communist party took part in the work of the Georgian plenary session" at which the Premier was kicked out.

Today's broadcast said the work of the Council of Ministers, which Bakhradze headed, and of the Party Bureau headed by Merkulava had been "unsatisfactory." It also quoted criticism of those two bodies by the Georgian newspaper Zarya Vostoka, which charged they failed to carry out orders from superiors.

Failed To Clean House
Vladimir G. Dekanozov, minister of internal affairs in Georgia, was thrown out of the Communist party late in July on charges of being a henchman of Beria.

The principal accuser at the meeting which ousted Dekanozov was Bakhradze.

It was obvious from the announcement that Bakhradze lost his job because of failure to carry out a house cleaning of Beria elements. The Georgian party purge and government shakeup was one of several in the Republics of the Soviet Union this summer, particularly after Beria's downfall.

YESTERDAY'S STARS
By THE ASSOCIATED PRESS

Pitching—Harvey Haddix, St. Louis Cardinals, allowed just four hits in winning his 19th game and his sixth shutout, 4-0 against Chicago.

Batting—Enos Slaughter, St. Louis Cardinals, drove in the first two runs in the Cards' 4-0 victory over Chicago.

MICKEY VERNON WELL ON WAY TO SECOND BATTING TITLE IN LEAGUE

NEW YORK—Mickey Vernon had to wait seven years to prove he was a true champion.

The Washington Senators' first baseman hit .349 in 1946 to win the American League batting championship but most baseball observers shrugged it off by saying he was lucky. That was his only .300 season and up to 1953 his lifetime batting average was a so-so .280.

Vernon has silenced all his critics this year, however, as he's well on his way to a second title with a .336 average—seven points better than runner-up Al Rosen of the Cleveland Indians. He's driven in 114 runs and has shown surprising extra-base power with 43 doubles, 11 triples and 15 home runs.

Snider Edging Up
In the National League, the injured Carl Furillo continues to lead with a .344 average but teammate Duke Snider of the Brooklyn Dodgers is edging up on him. Snider, currently the hottest hitter in the league, picked up seven points during the week to .339 on nine hits for 15 at bats and jumped from sixth to second.

The rest of the leaders are bunched closely, but with only a handful of games left, it's going to be tough for any of them to win the batting crown. On Mueller of the New York Giants is third with .336, followed by Red Schoendienst of the St. Louis Cardinals and the Giants' Monte Irvin, tied at .333. If Vernon wins the American League title, he'll be the fourth Washington player to accomplish the feat. The others beside Vernon were Buddy Meyer in 1935, Goose Goslin in 1928 and Ed Delahanty in 1902. At 35, Vernon will also rank as one of the oldest champs in the league's history.

Mathews' 46 High
After Rosen in the AL comes Billy Goodman of the Boston Red Sox with a .312 average. Minnie Miñoso of the Chicago White Sox (.311) and Washington's Jim Busby (.310) round out the top five.

Eddie Mathews, Milwaukee's young slugger star is the National League's home run leader with 46 and Roy Campanella of the Dodgers is tops in runs batted in with 142.

The Philadelphia Athletics' Gus Zernial has moved ahead of Rosen in the home run race with 41 to the Cleveland star's 40. Rosen, however, continues to show the way in RBI's with 137.

The two pitching leaders may very well be World Series opponents. They are Carl Erskine of the Dodgers with a 20-6 mark (.769) and Ed Lopat of the New York Yankees with a 15-4 won-lost record (.789).

Lafayette Drills For Princeton Tilt

EASTON, Pa.—Lafayette Coach Steve Hokuf began sharpening up his squad today for its opener against Princeton on Saturday, correcting flaws which showed up in a scrimmage game against Drexel last Saturday.

Hokuf was particularly pleased with the performance of his two sophomore quarterbacks, George Bartlett of West Orange, N. J., and Bryan Satterlee of Troy, N. Y., against Drexel. He named Bartlett to start against the Tigers.

The defensive play of his line, which effectively checked the Drexel running game, also pleased the Maroon coach.

DRIVERS HELP SUSPENDED MAN

COLUMBUS, Ohio—Some of the nation's top harness racing drivers and trainers today came to the support of one of their colleagues handed a suspension by the U. S. Trotting Assn. for his alleged part in the doping of a horse at a Michigan track.

Wayne (Curly) Smart, stocky pipe-smoking driver from Delaware and one of the best drivers in the business, was given a year's suspension yesterday by USTA President Lawrence B. Sheppard. Sheppard said Smart was responsible under association rules although he was not present at Detroit's Wolverine Track the day a medicant was given Abbasson, a horse Smart was training.

The bespectacled native Ohioan planned to pilot Dutch Dandy in the Little Brown Jug classic next Thursday. Some of the leading drivers in the sport, present at the Delaware track when Smart's suspension was announced, immediately jumped to his defense.

Joe Neville, Delaware lawyer and founder of the Little Brown Jug, called the suspension: "The biggest lynch party I ever heard of. We're going to fight."

Del Miller, one of the most successful drivers and trainers in the business, said the USTA move was "completely without justice."

He and Del Cameron, Benny Schu and Frank Safford said they would start a "protection fund" for Smart.

Local Garage Will Sponsor Broadcasts

All of Penn State's nine football games will be broadcast this season under the sponsorship of Warren Chevrolet Sales, Gettysburg, and other Chevrolet dealers of this area.

The games will be carried on a 14-station network and the first one, Penn State vs. University of Wisconsin, will be aired from Madison, Wisconsin, on Saturday afternoon starting at 3:15 o'clock.

The other eight games to be broadcast on successive Saturdays through November 21 will match Penn State with Penn, Boston University, Syracuse, Texas Christian, West Virginia, Fordham, Rutgers and Pitt.

The play-by-play action will be described by Bob Prince, veteran Pittsburgh sports announcer, with the assistance of Bob Davis, an All-East end from Penn State in 1942 and former star with the Pittsburgh Steelers.

Seek Special Fund For Observance

HARRISBURG—Setting a goal for a special fund campaign to observe the 50th anniversary of the Harrisburg Episcopal Diocese is the main order of business before a special convention of the diocese today.

The anniversary will be celebrated in 1954. Clerical and lay delegates from 78 parishes and missions in the diocese which covers Central Pennsylvania, are attending the one-day convention.

A special communion service presided over by Bishop J. Thomas Heistand of Harrisburg, was to open the convention.

Missing Man, 81, Found Dead In Woods

FRACKVILLE, Pa.—An 81-year-old Frackville man who disappeared from his home Sept. 4 was found dead yesterday halfway down an 80-foot cliff in woods near here. The victim was Sylvester Yoder.

Mr. and Mrs. John Bronick found the body while hunting mushrooms. Deputy Coroner James Wythe of Girardville attributed Yoder's death to exposure.

PRISONER IN A RUT
PITTSFIELD, Mass.—It may have set a time-record recently for arrests on the same charge. The prisoner was given a six-months suspended sentence to district court for drunkenness. Four hours later, police had him in tow again. The charge: drunkenness.

County Grid Teams Prime For Third Round Contests Friday Evening, Saturday

Third round games in the local scholastic football schedules are listed for Friday and Saturday, three of the contests being listed for Friday night while the other, Littlestown at Susquehannock, will be staged Saturday.

Coach Howard Shoemaker will take his Gettysburg High Warriors to Carlisle Friday evening for the official opening game of the South Penn Conference. Last Friday Waynesboro topped Shippensburg 25-6 but neither team is eligible for title consideration due to curtailed schedules.

Friday's meeting at Carlisle will be the 31st between the old rivalries, the Warriors having won 14, lost 13 while three finished in stalemates.

Carlisle showed great potentialities in smothering Biglerville 53-0 last week and is confident of turning back the local tribe.

With victories over Westminster and Delone dangling from their belts, the Warriors are hopeful of extending their winning streak to three in a row. The locals played much improved ball last week in topping the Squires with offensive honors going to George Penn, Stan Musser, Bobby Rohrbaugh and Ronnie Williams while Earl Kuykendall and Jay Schmitt turned in nice defensive games. The Crouse brothers, Carl Westerdahl, Merle Gorman, Dave Thomas and Terry Culp also flashed good form from time to time and are expected to show even more improvement with more experience.

Columbia At Biglerville
Biglerville, tied by Littlestown and defeated by Carlisle, takes on Columbia in a Conference of the Roses game at Biglerville in what looms as another rugged assignment for Gene Haas' Cannors.

Columbia currently leads the conference standing as the result of victories over Elizabethtown 14-6 and Ephrata 32-0. Friday's game will be the first conference affair for Biglerville.

Clay Evans' Littlestown eleven meets Susquehannock Saturday on the latter's field in its second Laurel Conference engagement.

The Bolts lost a hard fought game to West York 15-7 last week and hope to bounce back this week. Susquehannock suffered a 38-6 setback on Saturday at the hands of last year's loop titlists, Washington Township.

Delone Host To Scotland
Completing the schedule for county teams will be clash between Delone and Scotland at McSherrytown Friday night.

The Squires are hungry for victory following setbacks at the hands of Hanover and Gettysburg.

Scotland gave a good account of itself last Friday despite losing a 28-0 verdict to Chambersburg.

LAST NIGHT'S FIGHTS
NEW ORLEANS—Ralph Dupas, 138, New Orleans, outpointed Johnny Gonsalves, 135½, Oakl and, Calif., 8.
BROOKLYN—Orlando Zulueta, 134½, Cuba, outpointed Paddy Demarco, 139, Brooklyn, 10.

Call Second Panel In Murder Trial

CARLISLE, Pa.—A second panel of prospective jurors was called into Cumberland County Court today as selection of a jury continued in the trial of Clyde V. Ensminger, 35, Carlisle, on two murder charges.

Six jurors were chosen yesterday, the first day of the trial. Ensminger is charged with killing his 13-year-old daughter and wife last July in a fire at his home near Bloersville, Cumberland County. He pleaded innocent at his arraignment last week.

Judge Dale F. Shugart is sitting in the case. The state seeks the death penalty.

Charge Jury In Riot Case
BELLEFONTE, Pa.—A Centre County jury today was to hear Judge Ivan Walker's charge in the case of 15 Rockview Penitentiary prisoners charged with rioting in last January's outbreak.

The 15, half of 30 under prosecution as ringleaders in the three-day riot, went on trial last week. Testimony taking was completed Saturday but Judge Walker delayed the trial to permit a jury member to attend a relative's funeral in Ohio.

Meanwhile, three other inmates were found guilty yesterday of armed robbery and robbery in connection with the riot.

U. S. HAS VOTES TO SCUTTLE RUSS PLAN ON CHINESE

By STANLEY JOHNSON

UNITED NATIONS, N. Y. (AP) —

The United States had the votes lined up today to scuttle a Russian move to put Communist China's demand for an enlarged, round-table Korean political conference before the U. N. Assembly for debate.

But no one expected the Communists to give up.

The 15-nation Steering Committee was slated to give almost automatic refusal to list the item on the Assembly's agenda. Then fiery Chief Soviet Delegate Andrei Y. Vishinsky was expected to take the Assembly floor at his first opportunity and ask the 60-nation body to over rule the committee.

Takes Two-Thirds

Only a two-thirds majority could do that, and few diplomats here think Vishinsky can round up so many votes. They said, however, he may get enough Asian and neutral support to score a propaganda victory.

India's Prime Minister Nehru

let it be known in no uncertain terms last week that he resented U. S. and Latin American strength which blocked a proposed U. N. invitation to the conference for his country. Feelings are shared to a considerable extent by other Asian countries.

Differing Positions

The United States contends the Korean armistice agreement, which calls for a political conference of "both sides" by Oct. 28, limits the proposed talks to the belligerent nations of either side.

Vishinsky, in a speech yesterday which was billed in advance as a major policy address but later was labeled by most Western delegates as minor, said this interpretation ran directly counter to the agreement.

He insisted the talks should take the form of a "round-table" with so-called neutrals represented.

SAILS BLOOM—With balloon jibs set and blooming, small boat sailors run before the wind under a picturesque sky on Loosdrecht Lakes, yachtsman's paradise in Holland.

30 that a big Allied radar station had tracked Communist planes flying southward from Manchuria into Korea after the 10 p.m. July 27 deadline for building up either air or ground forces.

The Air Force said the planes presumably were MIGs.

Although the armistice permits only the movement of replacements under strict supervision, the U. N. Command did not protest the plane flights as a truce violation.

The pilot, whose only two words of English are "OK" and "no," spoke through an interpreter.

He apparently had been coached by Air Force intelligence officers to shy away from certain questions such as whether the MIGs had radar gun sights.

However, he said that the MIGs flown by Russians had radar equipment while those flown by the North Koreans did not.

BENSON POINTS WAY FOR NEW U.S. FARM POLICY

By FRANK O'BRIEN

WASHINGTON (AP)—Secretary of Agriculture Benson told bankers today the nation's farm policy should veer away from what he called centralization of power and undue dependence on government, and that they could help strengthen the rural economy.

His talk was prepared for the convention of the American Bankers Assn. In another prepared speech, W. Harold Brenton, president of the association, said bankers must become "sound money" missionaries throughout the country, if financial disturbances calling for government intervention are to be avoided.

His administration's money policies have been praised consistently by speakers at the convention. Benson said a new farm program based on the principles of economic freedom was needed. He

said inadequacies of the present program included:

1. Failure to build farm markets at fair prices.
2. Interference with needed adjustments in farming.
3. Tendencies to price crops such as wheat and cotton out of world markets and dairy products out of domestic markets.
4. Failure to provide farmer with incentives for progress.

Brenton, a Des Moines, Iowa banker, said "bankers must help remove the mystery that surrounds the maintaining of sound money."

The association president said that "much of the criticism of bankers in government is made by those who fail to realize that many of our problems in government are financial and it is logical to call on those who have made a success in the field of finance."

They're all talking "best deal in town" BUT WHO'S GOT IT?

Are you really sure that the car dealer who gives you "the best deal in town" really gives you the best BUY in town?

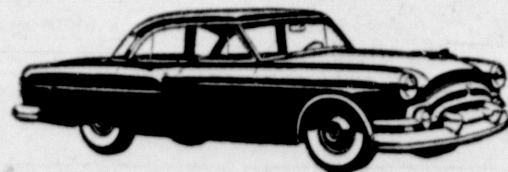

As you well know, the best BUYS are based on value.

Because value lasts longer than any other quality—and, in automobiles, that means longer motoring pleasure, greater safety, lower upkeep, and a better trade-in allowance later on.

"The Buy of the Year!"

The new Packard CLIPPER has made news all year long as "the buy of the year."

Did you know that you can own a new Packard CLIPPER for as little as

\$2,620.00

Club Sedan Delivered In Gettysburg

Way back last winter, the "insiders"—men of recognized automotive experience and instinct—tagged the CLIPPER as the car of the year in the medium-price field. A real, old-time PACKARD value.

You know very well that you never bought an automobile right off the printed page. You bought it ONLY after a demonstration when features either come to life or amount to nothing.

So we urge you: before you take that "best deal in town" . . . take a demonstration in the new Packard CLIPPER and value-check the features with which we challenge all other cars!

We challenge them all on a value check of the following points

Modern contour styling. Check it for greater all-around visibility, wider doors, more room, more luggage capacity.

Famous Packard-built engine.

Famous Packard ride—"Rides like a Packard" is the highest compliment you can pay any car.

Famous Packard Ultramatic, designed and built by Packard for Packard CLIPPER—the smoothest power shifting of all—no whish, no whirr, no jerk, no jump.

Famous Packard-built power brakes and power steering.

Famous Packard CLIPPER back-saver seats.

Top trade-in value.

*Optional at extra cost.

FINE DECLARES STATE HAS LOW COST OPERATION

PHILADELPHIA (AP)—Gov. John S. Fine today emphasized what he called Pennsylvania's low cost of government in summarizing the state's current economic trends.

In a speech prepared for the annual meeting of the Pennsylvania Electric Assn., the governor said that Pennsylvania, by and large, is prospering, and the present and future remain exceedingly bright.

"Particularly important," he declared, "is the fact that the ratio of government payrolls or disbursements to the state's total income is well below the national average for state governments. Pennsylvania is doing more business at lower government costs than many of our sister states."

Industrial Power Grows

He added that the "ever-growing industrial power of Pennsylvania is in a major sense attributable to the electric power feeding the energy" into the state.

"Too widespread a public opinion is the conviction that the greatest cause of increased taxation and governmental expenditures is the governmental employees adhering to the public payroll; but the fundamental cause for increased cost of government is increased vital services at increased costs to the people in those areas of public need which the state alone can handle."

Gov. Fine estimated that 87 per cent of the commonwealth's current budget goes for education, public welfare and assistance and for health and debt service.

"The industrial power of Pennsylvania is on the march—forward to the realization of a society which strives to expand productivity and enlarge human progress."

Stubborn Mule To Defy Hybrid Rule

SYDNEY (AP)—An Australian mule is expected to give birth to a foal soon. The mule is a six-year-old named Jenny, and is owned by Fred Johnson of Warren, New South Wales.

A mule had a foal in the Northern Territory of Australia last May, and, as far as is known here, that was only the eighth such foal recorded in the world.

A mule is hybrid, offspring of a horse and a donkey, and is usually sterile.

Bony Old Horse Is Suddenly A Racer

BALTIMORE (AP)—Harold Brown panted a bony old brown horse yesterday to do some huckstering on the streets of Baltimore.

During the rounds, the sleepy cart-puller suddenly became a high-spirited racer and took off in a gallop.

"His head was up. His tail was straight out behind him and he was going down the street like Citation," Brown said.

Seven blocks later an uphill street and a lost wheel stopped the would-be racing champion. In his wake he left eight banged and dented automobiles.

Police sent the bruised horse back to his owner, Frederick Sipes.

REDS CLAIM 20 YANKS REFUSE REPATRIATION

PANMUNJOM (AP)—The Communists said today at least 20 Americans, and Britons and more than 300 Koreans refused repatriation in the big Korean prisoner exchange. They are scheduled to be turned over Thursday to Indian custodial troops.

A Red correspondent, Wilfred Burchett of the Paris L'Humanite, unofficially put the number at 23 Americans, one Briton and 335 South Koreans. Burchett said they are being held in an unguarded camp at Kaesong.

By terms of the armistice, reluctant POWs will be held 90 days in the demilitarized zone while interviewers try to persuade them to change their minds about going home.

Red Breakdown

Answering a U. N. Command request for a breakdown by nationality of captives they claim refused repatriation, the Reds reported to a joint secretariat session of the Military Armistice Commission that "more than 300 are Koreans. Over 20 are non-Koreans, of which all are American except one British."

Although in round numbers, this report by Ju Yon, North Korean representative, was the most detailed breakdown of unrepatriated allied POWs the Reds so far have provided.

Americans returned in the exchange have told of fellow POWs who elected to stay behind.

Burchett said the Americans at Kaesong had a dog mascot which they had named "Non Repat."

3,400 Are Missing

The 300-plus captives the Communists said refused repatriation would just begin to account for more than 900 Americans and 2,500 other Allied soldiers whose whereabouts the U. N. Command has demanded of the Reds.

The Allies Monday rejected as "totally unsatisfactory and unacceptable" a Communist preliminary report that most of these 3,400 men believed missing were "never captured." The Red report

MEDICS OPPOSE CORONER PLAN

PITTSBURGH (AP)—The Pennsylvania Medical Society favors abolition of the state's coroner setup.

Delegates to the society's week-long 103rd annual session condemned the system yesterday as "obsolete and inadequate" and called for adoption of a medical examiners plan.

Under the present system, each county elects a coroner who looks into the causes of deaths and issues verdicts. He does not have to be a physician.

The society wants a system whereby the investigating authority in deaths is appointed and must be a doctor of medicine qualified in medico-legal practice.

Delegates also went on record as opposing government medical care for veterans with non-service connected ailments and voted to name a committee to study the question of whether physicians should be permitted to teach in osteopathy schools.

Osteopaths frown on the use of drugs to effect cures, believing good health comes mainly from perfect structural alignment of the body.

said of the 3,400-519 already have been returned to the Allies; 380 were previously accounted for as "released at the front, escaped or dead; some refused repatriation, but most of them have never been captured at all."

Sensational New TRYPTACIN

STOPS ACID PAIN

STOMACH ULCERS.

ACID INDIGESTION, GAS, AFTER-EATING DISTRESS

Safe! Fast! As Fast as 8 MINUTES!

IN ACTUAL CLINICAL X-RAY TESTS PATIENTS

Showed Almost Complete Healing IN 4 WEEKS

Before TRYPTACIN was made available to sufferers of excess stomach acid, including diagnosed stomach ulcer victims, clinical tests were conducted. Scientifically controlled tests revealed TRYPTACIN's power to neutralize great quantities of stomach acid in as little as 8 minutes—and over long periods of time. Then a group of stomach ulcer patients were carefully tested for reactions to TRYPTACIN. These tests showed that TRYPTACIN was fast, effective and safe. And what's more, X-Rays revealed that a number of ulcer patients tested showed almost complete healing in 4 weeks. Your physician will tell you excess acid should be curbed. TRYPTACIN has proven its power to curb excess acid fast, safe and without interfering with food digestion. You owe it to yourself to try TRYPTACIN to curb excess acid today! You may find yourself eating tasty, flavorful meals again without excess stomach acid distress... you may enjoy a good night's sleep once more... and you may find you can lead a life free from excess acid pain. So get TRYPTACIN today! Your first 100 tablet package is offered you on the guarantee of full satisfaction or money back.

*Patients undergoing TRYPTACIN therapy were under doctor supervision and were on a prescribed food regimen. This food regimen is available upon request at no cost. Write Rhodes Pharmaceutical Company, 1814 E. 40th St., Cleveland 3, Ohio.

NOTE TO DIABETICS... FOLKS ON REDUCING DIETS... HIGH BLOOD PRESSURE SUFFERERS

TRYPTACIN contains no sugar. Can be safely used by diabetics and men and women on reducing diets. TRYPTACIN contains little Sodium. Can be used safely by sufferers of high blood pressure.

Stomach Often Distorted Abnormally By Gas

TRYPTACIN GOES TO WORK IMMEDIATELY TO NEUTRALIZE AND ADSORB STOMACH ACID

In as fast as 8 minutes, TRYPTACIN goes to work to curb excess stomach acid in three ways: it absorbs, adsorbs and neutralizes all at the same time. TRYPTACIN helps protect irritated stomach walls from further excess acid pain and irritation. No fear of acid rebound, of dreaded alkalosis. TRYPTACIN does not interfere with normal digestion. TRYPTACIN is safe and effective like nothing else you've ever tried to bring you blessed excess acid pain relief... to help you enjoy eating, sleeping and happier living... without fear of after-eating pains, gas, bloating, heartburn, indigestion. You owe it to yourself to get TRYPTACIN today!

DEVELOPED AFTER YEARS OF RESEARCH

TRYPTACIN meets the rigid requirements set by many leading stomach authorities. Many other remedies have adverse effects... alkalosis, acid rebound, constipation. But not TRYPTACIN. TRYPTACIN goes to work at once to bring fast, safe action. Try new TRYPTACIN, modern scientific discovery.

GREAT SCIENTIFIC ACHIEVEMENT

NEW tryptacin

For Excess Stomach Acid Pain... Fast!... Safe!... Sure!

CONTAINS CHLOROPHYLL To help combat bad breath that usually accompanies stomach distress

ENJOY YOUR MEALS WITHOUT FEAR OF ACID PAIN

It's good judgment for victims suffering excess acid pains to eat sensibly. Avoid foods that disagree. Consult your doctor. And remember, clinical tests prove TRYPTACIN does not interfere with food digestion.

Important! TRYPTACIN is in short supply. Don't be discouraged if your druggist is out of stock. Ask him to reserve your bottle today.
